

Transport and Logistics Division

Paris, June 18th, 2009

PRESS RELEASE

The NORBERT DENTRESSANGLE and SNCF Groups have reached an agreement on the disposal of the stake held by the NORBERT DENTRESSANGLE Group in the capital of NOVATRANS (43,549 shares, or 15.1% of the capital) to the benefit of SNCF's Transport and Logistics Division (through its TLP Company).

This disposal has been submitted for approval to the French competition authorities.

About SNCF's Transport and Logistics Division

SNCF's Transport and Logistics Division provides a global multimodal offering and end-to-end flow management solutions for its customers worldwide. Through a network covering 120 countries, the division's multicultural workforce offers real local presence and a highly flexible and responsive service offer. The Transport and Logistics Division is the fourth-largest transport and logistics operator in Europe, with revenue of 8 billion euros.

2008 Revenue: 8 billion Euros
50,000 employees
Network covering 120 countries

About Norbert Dentressangle Group

A major European player in Transport and Logistics in Europe with more than EUR 3 billion in revenue, Norbert Dentressangle Group develops high value-added solutions for customers in its two core businesses, in accordance with its commitments in the area of sustainable development. Following the acquisition of Christian Salvesen, Norbert Dentressangle now operates in 14 countries with nearly 29,000 employees across 370 sites and generates 44% of its revenue outside France.

The Group, listed on the CAC Mid 100 index, is directed by François Bertreau.
Category B of Euronext Paris. Code GND - Isin FR0000052870
