

## Press release

### **TR Services Group appoints Chief Operating Officer** *Bruno Delaporte is in charge of this new role within the Group.*

Paris, 9 September 2009

IT services integrator and operator, the TR Services Group today announced the appointment of Bruno Delaporte as Chief Operating Officer.

In this role, Mr Delaporte's main duty will be to organise TR Services' growth and profitability. He will also be responsible for the implementation of the Group's strategy on an operating level.

With over 15 years experience in the sector, Mr Delaporte, age 51, brings to the TR Services Group his extensive knowledge of the market and his expertise in managing a telecoms integrator. He will work alongside Lionel Smeers on pushing forward the implementation of the Group's new strategy.

A graduate of ESLSA business school in Paris, Mr Delaporte held a number of executive management positions at Cofratel, Siemens Enterprise Communication and GDF-SUEZ's telecoms subsidiary Ineocom, before becoming head of strategy and development at Global Concept.

*"In order to get the support we need for our expansion, we had to appoint a Chief Operating Officer. We are delighted to have Bruno Delaporte join our team. His excellent knowledge of the industry and his experience in operations and management will enable us to consolidate our position as an IT services operator," comments Lionel Smeers, Chief Executive Officer of the TR Services Group.*

#### **About the TR Services Group**

The TR Services Group is an independent IT services integrator and operator, offering a new perspective on telecoms/IT convergence. It creates innovative corporate communication solutions and provides its customers with the services they need to maximise the effectiveness of their IT systems.

With the expertise of its 450 staff across France, the TR Services Group works with more than 3,000 public-sector, corporate and SME clients. Télécom Réseaux Services has been listed on the Euronext stock exchange since 1999. (ISIN FR0000071763)
