

**PRESS RELEASE****SPIECAPAG CONTRACT APPROVED FOR CONSTRUCTION  
IN PAPUA NEW GUINEA**

**Colombes, 10 December 2009:** SPIECAPAG, a subsidiary of ENTREPOSE Contracting (ISIN: FR0010204321), specialised in the design and construction of turnkey projects in the oil, gas and energy sectors in general, announced today the approval by Esso Highlands Limited of the contract for the Onshore Pipelines and Infrastructure package (EPC5-A) of the PNG LNG Project, pending final project authorizations. Esso Highlands Limited, a subsidiary of Exxon Mobil Corporation, is the operator of the PNG LNG Project.

The PNG LNG Project is an integrated development that includes gas production and processing facilities, onshore and offshore pipelines and liquefaction facilities. Participating interests are affiliates of Exxon Mobil Corporation (including Esso Highlands Limited as operator, 33.2 percent), Oil Search Limited (29.0 percent), Independent Public Business Corporation (PNG Government, 16.6 percent), Santos Limited (13.5 percent), Nippon Oil Exploration (4.7 percent), Mineral Resources Development Company (PNG landowners, 2.8 percent) and Petromin PNG Holdings Limited (0.2 percent).

SPIECAPAG's scope includes the engineering, procurement, construction and commissioning of an onshore pipeline system of approximately 450Km of pipeline ranging from 2" to 34".

SPIECAPAG will be responsible for all aspects of safety associated with this work that will be performed under strict environmental constraints.

Dominique Bouvier, ENTREPOSE Contracting's Chairman & CEO, said: « *We are delighted with this major success SPIECAPAG has delivered. We are pleased to have this opportunity to partner with a major player such as Esso Highlands Limited. ENTREPOSE Contracting has achieved a major milestone in being selected for this onshore pipeline and infrastructure. None of this would have been possible without the dedication and the professionalism of our teams and the support of the VINCI Group* ».

**About ENTREPOSE Contracting** ([www.entrepose.fr](http://www.entrepose.fr)):

ENTREPOSE Contracting is a group specialised in the design and construction of complex industrial projects in the oil, gas and energy sectors and shallow water operations. From creating transport and storage solutions to delivering turnkey projects, the Group is constantly developing its expertise in conceptual engineering, process design and contracting in sensitive environments. ENTREPOSE Contracting places particular emphasis on standards compliance in terms of Quality, Health & Safety and Environmental Management (QHSE accreditations), and possesses unique know-how enabling it to meet the most stringent requirements in terms of the highest performance levels.
