**LISI AUTOMOTIVE, A SUBSIDIARY OF THE LISI GROUP, CONFIRMS THE FINALIZATION OF ITS AGREEMENTS WITH ACUMENT GLOBAL TECHNOLOGIES FRANCE FOR THE TAKEOVER OF TWO OF ITS INDUSTRIAL SITES.**

The LISI Group confirmed today that its subsidiary LISI AUTOMOTIVE has finalized the agreements with the French arm of the American Acument Global Technologies group about taking over two of its industrial sites that specialize in the manufacture of fasteners for the automotive industry.

These two plants are located in Bonneuil-sur-Marne (Val de Marne) and La Ferté Fresnel (Orne), and ought to generate sales revenues of about EUR 40 million in 2009, with a staff of about 350.

The two sites will be integrated into the LISI AUTOMOTIVE and consolidated as of March 29, 2010. The purchase accounting aspects of this consolidation are being finalized.

This transaction falls within the scope of LISI AUTOMOTIVE's strategy, which has as one of its objectives to provide its industrial base in France with the critical size.
