1 This form must be sent to the AMF either by e-mail to [surveillance@amf-france.org](mailto:surveillance@amf-france.org) or by fax to +33 (0)1 5345 5890. It must also be disclosed to the market by a regulated primary information provider. A list of providers is available on the AMF website at <http://www.amf-france.org/affiche.asp?id=7587>.

2 The AMF published a list of the 15 relevant securities on 22 September 2008.

3 As published by the issuer.

4 Corporate groups should file a consolidated disclosure. Failing this, the AMF will accept a disclosure per entity. Management companies must state the name of the company and aggregate all short positions held in each collective investment scheme or managed under discretionary mandate.

5 State only the net economic position after long and short positions have been netted. Derivatives must be taken into account but not securities loans.
