

CAPTRADE BECOMES A 100% SUBSIDIARY OF ENTREPOSE CONTRACTING

Colombes, 9th December 2010: ENTREPOSE Contracting (ISIN FR0010204321), a contractor specialised in the design and construction of complex projects in the oil and gas sectors in particular, and the energy and environmental sectors in general, today announces the acquisition of the remaining 30% of CAPTRADE, which is now 100% held by the Group.

This announcement follows the acquisition of 70% of CAPTRADE from its founding managers and Ciclad 4 FcpR in July 2009. It reflects ENTREPOSE Contracting's intention of strengthening its SERVICES business line, which also includes CHALLENGER and MCO SERVICES.

For the record, the newly-created SERVICES business line contributed 39.4 million euros to the ENTREPOSE Contracting group's total revenue for the 9 months to end-September 2010.

Dominique Bouvier, ENTREPOSE Contracting's Chairman and CEO, concludes: *"The acquisition of the remaining 30% stake in CAPTRADE is inherent to our strategy of strengthening our presence on niche markets and our desire to become even closer to our clients by providing them with a Services offer alongside our traditional activities."*

About ENTREPOSE Contracting (www.entrepose.fr): ENTREPOSE Contracting is a group specialised in the design and construction of complex projects in the oil and gas sectors in particular, and the energy and environmental sectors in general. From creating transport and storage solutions to delivering turnkey projects, the Group is constantly developing its expertise in conceptual engineering, process design and contracting in sensitive environments. ENTREPOSE Contracting places particular emphasis on standards compliance in terms of Quality, Health & Safety and Environmental Management (QHSE accreditations), and possesses unique know-how enabling it to meet the most stringent requirements in terms of the highest performance levels.
