## **Saft Groupe Analysts and investors meeting**

**Paris, June 30, 2011** – Saft is today holding its analysts and investors' day in Paris when the Group will give an update of its markets, its growth opportunities and medium-term perspectives/outlook.

Tomorrow on 1<sup>st</sup> July, the Group will visit Saft's factory in Bordeaux.

The presentation is available on [www.saftbatteries.com](http://www.saftbatteries.com)

### **About Saft**

*Saft (Euronext: Saft) is a world specialist in the design and manufacture of high-tech batteries for industry. Saft batteries are used in high performance applications, such as industrial infrastructure and processes, transportation, space and defence. Saft is the world's leading manufacturer of nickel batteries for industrial applications and of primary lithium batteries for a wide range of end markets. The group is also the European leader for specialised advanced technologies for the defence and space industries and world leader in lithium-ion satellite batteries. Saft is also delivering its lithium-ion technology to new applications in clean vehicles and energy storage systems. With approximately 4,000 employees worldwide, Saft is present in 19 countries. Its 15 manufacturing sites and extensive sales network enable the group to serve its customers worldwide. Saft is listed in the SBF 120 index on the Paris Stock Market.*
