Schneider Electric extends tender offer for Telvent shares to August 22, 2011

Rueil-Malmaison (France), August 3, 2011 - Schneider Electric SA ("Schneider Electric") announced today that its wholly owned subsidiary Schneider Electric España, S.A.U. has extended its previously announced cash tender offer to purchase all of the issued shares of Telvent GIT, S.A. ("Telvent") for \$40.00 per share without interest and less any applicable withholding taxes. The tender offer is now scheduled to expire at 5:00 p.m., New York City time, on Monday, August 22, 2011, unless further extended in accordance with the terms of Schneider Electric's definitive agreement with Telvent and the applicable rules and regulations of the United States Securities and Exchange Commission (the "SEC").

The closing of the tender offer is subject to customary terms and conditions, including the expiration or termination of the statutory waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended ("HSR Act"), the receipt of the regulatory approval by the European Union competition authority and other regulatory clearances. As previously announced, the waiting period under the HSR Act has expired, and the European Union competition authority has until the end of August 17, 2011, which period may be extended under certain circumstances, to clear the tender offer or to extend their review. Schneider Electric is in the process of seeking the remaining applicable regulatory clearances of other jurisdictions. Schneider Electric continues to expect that the tender offer will close in the third quarter of 2011.

Any additional extension of the tender offer will be followed as promptly as practicable by public announcement thereof, and such announcement will be made not later than 9:00 a.m., New York City time, on the next business day after the previously scheduled expiration date.

The depository for the tender offer has indicated that, as of 5:00 p.m., New York City time, on August 2, 2011, 33,415,700 shares were validly tendered and not withdrawn pursuant to the tender offer, representing approximately 98% of the number of shares of Telvent issued as of May 31, 2011.
