### Forward Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 concerning, among other things, Weatherford's plan to complete a public offering of senior notes and the anticipated use of the proceeds of this offering. Such forward-looking statements are subject to certain risks, uncertainties and assumptions. These risks and uncertainties, which are more fully described in Weatherford International Ltd.'s reports and registration statements filed with the SEC, include the impact of oil and natural gas prices and worldwide economic conditions on drilling activity, the outcome of pending government investigations, the demand for and pricing of Weatherford's products and services, domestic and international economic and regulatory conditions and changes in tax and other laws affecting our business. Should one or more of these risks or uncertainties materialize, or should the assumptions prove incorrect, actual results may vary materially from those currently anticipated.
