

## THE LISI GROUP FORMALIZES THE DISPOSAL OF KUT TO GRIS DECOUPAGE

The disposal, effective as of May 29, 2012, will negatively impact by €0.6 million the consolidated EBIT of the LISI Group, but will improve its net debt by approximately €4 million.

Through its alliance with Gris Decoupage, KUT, a subsidiary of Knipping, an affiliate of LISI AUTOMOTIVE, which posted sales of €8.7 million in 2011 for the production of washers and technical products mainly targeted at Germany, finds a European-sized partner.
