Bouygues press release

Alstom's contribution to Bouygues' third-quarter and fourth-quarter 2012 net profit

Alstom reported results for its first half of FY2012/13 on 7 November 2012.

On the basis of this information and given the difference between the end of first half of the financial years of Alstom (30 September) and Bouygues (30 June), Alstom's contribution to Bouygues' net profit in third-quarter 2012 stood at 67 million euros versus 40 million euros in third-quarter 2011.

On the basis of currently available information, Alstom's contribution to Bouygues' net profit in fourth-quarter 2012 is estimated at 59 million euros versus 56 million euros in fourth-quarter 2011.

In accordance with the calculation method used by Bouygues, this contribution is assessed from Alstom's last reported half-year figures available at the date the Bouygues group will close its full-year financial statements, ie the first half of FY2012/13.

*Nine-month 2012 sales and earnings of the Bouygues group
will be reported on 14 November 2012 at 5.45pm (CET).*
