

Infosys receives IBM Smarter Commerce Award

Melbourne Australia, 3 June 2013: Infosys (NYSE: INFY) announced today that IBM has named Infosys the Smarter Commerce Business Partner of the Year for Australia and New Zealand.

The IBM Smarter Commerce portfolio helps retailers achieve brand intimacy by more effectively automating their purchasing, marketing, sales and fulfilment processes to better serve their customers. IBM presents the Smarter Commerce Business Partner of the Year to the IBM business partner which demonstrates the strongest strategic, brand, sales, delivery and technical resources to deliver positive outcomes for Smarter Commerce clients. This award covers the 2012 financial year.

Quotes

- “Infosys is drawing upon our globally acknowledged consulting, systems integration and IP-driven solutions to help our clients in the retail sector run their enterprises efficiently and tap emerging opportunities created by the rise of cloud, big data and mobility,” said **Reggie George**, Infosys Associate Vice President and ANZ Region Head--Retail, Consumer Packaged Goods and Logistics. “Over the past few years, we have invested heavily in bringing these capabilities to the Australia and New Zealand markets, and it’s gratifying to see these investments bearing fruit for our clients and business partners in the region.”
- “IBM’s Smarter Commerce vision is dependent on us strategically partnering with our Business Partners to deliver the best possible client experience,” said **Dulles Krishnan**, Director of Commerce Solutions and Smarter Commerce, IBM Growth Markets. “This award is in recognition of this and we congratulate Infosys on such an achievement.”
