MONCLER INVESTMENT EARNS EURAZEO THE GRAND PRIX DEAL OF THE YEAR AT THE REAL DEALS PRIVATE EQUITY AWARDS

Eurazeo has won the Grand Prix Deal of The Year at the Private Equity Awards ceremony organized by Real Deals on Thursday, April 10 in London. This prize rewards the talent of the Eurazeo teams and the successful Moncler investment.

The choice made by the jury of investment and market experts was based on an extensive analysis of the transaction by Real Deals magazine and the Cass Business School.

Over the past thirteen years, the Private Equity Awards have honored the best private equity players in Europe and are considered among the most prestigious in the sector.

Virginie Morgon, Eurazeo CEO, declared: *"We are delighted to receive the Grand Prix Deal of the Year for our investment in Moncler. This investment was driven by a series of bold decisions: to invest in 2011, when the company had not yet revealed its full potential; strategically, to accelerate the company's growth; to float the company between Thanksgiving and Christmas. It is this boldness along with our transformation work which, combined with the formidable talent of Remo Ruffini, made this transaction a success. I wish to thank Remo and I salute the talent and agility of our teams."*
