Notes:

1. The audited financial statements for the quarter and half-year ended September 30, 2014 have been taken on record by the Board of Directors at its meeting held on October 10, 2014. The statutory auditors have expressed an unqualified audit opinion. The information presented above is extracted from the audited standalone financial statements.

2. Changes to the Board

- a) The members of the company at the Extra-ordinary General Meeting held on July 30, 2014 approved the appointment of Dr. Vishal Sikka as the Chief Executive Officer and Managing Director effective August 1, 2014.
- b) Narayana Murthy will cease to be Non-Executive Chairman effective October 10, 2014. He indicated that in line with the company's high corporate governance standards and to avoid any perceived conflicts, it would not be appropriate for him to be the Chairman Emeritus of Infosys. The Board accepted Mr. Murthy's decision and sincerely thanked him for his vision, leadership and guidance in making Infosys a globally respected company.
- c) S. Gopalakrishnan will cease to be Non-Executive Vice Chairman effective October 10, 2014. The Board expresses its deep sense of appreciation for the services rendered by him during his tenure on the Board.
- d) K.V. Kamath has been elected as the Chairman of the Board effective October 11, 2014

3. Edgeverve Systems Limited

At the Annual General Meeting held on June 14, 2014, the shareholders had authorized the Board to enter into a Business Transfer Agreement with Edgeverve, with effect from July 1, 2014. The company has undertaken an enterprise valuation by an independent valuer and accordingly the business has been transferred for a consideration of \$70 million (approximately ₹421 crore) with effect from July 1, 2014. Net assets amounting to ₹9 crore have also been transferred and accordingly a gain of ₹412 crore has been recorded as an exceptional item. The consideration has been settled through the issue of fully paid up shares in Edgeverve.

4. During the quarter ended June 30, 2014, based on internal and external technical evaluation, management reassessed the remaining useful life of assets, primarily consisting of buildings and computers with effect from April 1, 2014. Accordingly, the useful life of certain assets required a change from the previous estimates. If the Company had continued with the previously assessed useful lives, charge for depreciation for the quarter and half-year ended September 30, 2014 would have been higher by ₹111 crore and ₹238 crore respectively, for the assets held as at April 1, 2014.

5. The Board in its meeting held on October 10, 2014 has considered and approved and recommended a bonus issue of one equity share for every equity share held, and a bonus issue, viz., a stock dividend of one American Depository Share (ADS) for every ADS held, respectively, as on a record date to be determined. Consequently, the ratio of equity shares underlying the ADSs held by an American Depository Receipt holder would remain unchanged.

The Board approved and recommended the issuance in order to increase the liquidity of its shares and to expand the retail shareholder base.

The bonus issue of equity shares and ADSs will be subject to approval by the shareholders, through a postal ballot, and any other applicable statutory and regulatory approvals. Accordingly, the record date for the bonus issues of equity shares and ADSs will be announced in due course.

6. Information on dividends for the quarter and half year ended September 30, 2014

The Board declared an interim dividend of ₹30/- per equity share. The record date for the payment of interim dividend is October 17, 2014. The interim dividend will be paid on October 20, 2014. The interim dividend declared in the previous year was ₹20/- per equity share.

Notes on segment information:

Primary segments

Effective quarter ended March 31, 2014, the Company reorganized its segments consequent to which the primary reportable segments of the company are as set out above. The previous period figures, extracted from audited financial statements, have been presented after incorporating necessary reclassification adjustments pursuant to changes in reportable segments.

Segmental capital employed

Assets and liabilities used in the company's business are not identified to any of the reportable segments, as these are used interchangeably between segments. The Management believes that it is not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.
