Ambition 2020: Exclusive discussions for an injection molding acquisition in the Healthcare and Industry markets

As part of its Ambition 2020 strategic plan, PSB INDUSTRIES announced that it is into exclusive discussions for the acquisition of PLASTIBELL, subject to conditions precedent. The group, with operations in France, Mexico, and Poland, is owned by Michel Maradan (founder), FCDE (Fonds de Consolidation et de Développement des Entreprises), and CM-CIC Investissement.

PLASTIBELL Group, an international player specialized in injection molding, posted nearly €50 million in revenues in 2014. With its industrial facilities in three countries (4 in France, 1 in Mexico, 1 in Poland) and its ISO7 clean rooms in each country, PLASTIBELL has enjoyed strong growth in the Healthcare market and has the capacity to serve leading Healthcare and Industry customers in France and around the globe.

In line with the PSB INDUSTRIES Ambition 2020 strategic plan, the PLASTIBELL Group acquisition would allow PSB INDUSTRIES to have a strong position on the Healthcare market, supported by a history of success and expertise in high value-added growth markets.

PSB INDUSTRIES is an innovation-driven industrial group with leadership positions in packaging and specialty chemicals. The group reported consolidated revenues of €262 million in 2014, including over 60% from international sales. The group has production plants in France, the United States, Japan, and Mexico.
