

PRESS RELEASE

5 MAY 2015

EXIT FROM FAAC SHARE CAPITAL

Faac and Somfy Groups have concluded that there are no joint development projects and have therefore decided to undo the existing capital links (Somfy's 34% holding in the share capital of Faac and Faac's 7.3% stake in Somfy).

The transaction to unwind their respective interests will involve the exercise of a statutory right of withdrawal and will thus result in the cancellation of Faac's shares held by Somfy. As consideration for this, Somfy will receive the 571,400 Somfy shares held by Faac and a balancing cash adjustment of €50.7 million.

A portion of these shares will be cancelled in order to limit the percentage of the treasury shares held by Somfy to 7.2% following the transfer.

The various arrangements related to the transaction should take effect within the next few days and should therefore be included in the financial statements for the first half-year.
