

PRESS RELEASE

27 MAY 2015

ACQUISITION AND CANCELLATION OF SECURITIES FOLLOWING THE EXIT FROM FAAC'S SHARE CAPITAL

The untying of capital relationships between Faac and Somfy is now effective. It has given rise to the cancellation of all the Faac shares held by Somfy, with Somfy concurrently receiving, as consideration, all the Somfy shares held by Faac and the payment by Faac of a balance of €50.7 million.

As a result, Somfy has today acquired 571,400 Somfy shares from Faac through a number of off-market transactions, and has concurrently cancelled 436,800 of these securities to reduce the number of treasury shares held. As such, its share capital now comprises 7,400,000 shares, for a total of 12,876,205 gross voting rights, including 535,491 treasury shares, representing 7.2% of said share capital (excluding the liquidity contract).

/ CORPORATE PROFILE

Somfy Group is the global leader in opening and closing automation for both residential and commercial buildings.
