

Paris - April 26th, 2016

*Award ceremony of Finance Department Trophy, category Industry, Energy and Transport
Rémy Husson, Chief Financial Officer, receiving The Trophy on behalf of Chargeurs*

The 6th annual « G20 Strategy & Management Summit –Finance Edition » held on 14 April 2016 brought together more than 700 Finance Professionals and awarded Trophies for the Best Finance Department, awarded by sector and overall, Best Finance and Investment Bank and Best Private Banking and Specialist Advisory.

Rémy Husson, CFO, received the **Finance Department Trophy** for the category « **Industry, Energy and Transport** » on behalf of Chargeurs.

Michaël Fribourg, Chairman and CEO of Chargeurs, said: « *This exceptional prize recognises the success and commitment of the Group, its Finance Department and employees in the acceleration of its financial and operational performance in 2015. It is an excellent sign for the future and for the financial community. Indeed, **in 2016, driven by a three-pronged commitment to performance, discipline and ambition**, Chargeurs continues its strategy of operational excellence with a view to consolidating, in the years to come, its global leadership positions* ».

ABOUT CHARGEURS

Chargeurs is a global manufacturing and services group with leading positions in four segments: temporary surface protection, technical substrates, garment interlinings, and combed wool.

It has over 1,500 employees based in 32 countries on five continents, who serve a diversified customer base spanning more than 45 countries.

In 2015, consolidated revenue totaled almost €500 million, of which nearly 93% was generated outside France.
