

# PRESS RELEASE

25 OCTOBER 2016

## INCREASE OF THE FREE FLOAT

Somfy has been advised today of the open-market sale of 230,400 of its shares, previously held by Manacor<sup>1</sup>, as part of a private placement.

This transaction, which has no impact on governance, has raised the free float from 17.7% to 20.8% of the share capital, thereby increasing share liquidity.

Manacor has signed an undertaking to retain its residual shareholding with the bookrunners for the transaction, Société Générale Corporate & Investment Banking and Gilbert Dupont. As a result, this entity is committed not to sell the 140,000 Somfy shares it still holds for a period of 90 days from the date of settlement/delivery of the transaction.

## CORPORATE PROFILE
