

## **Foncière des Régions: changes to the Management Committee**

---

Foncière des Régions has changed the composition of its Management Committee.

In September, Audrey Camus, Head of Development, and Marielle Seegmuller, Operations Director, joined the Management Committee.

After 3 years as Deputy Chief Operating Officer, Marion Pignol will join the management team of Beni Stabili, Foncière des Régions' Italian subsidiary from the beginning of 2017. She will be responsible for steering the Property Management internalisation project, in addition to Human Resources and Organisation.

Philippe Le Trung, Head of Corporate Development and Communications, has decided to devote himself to a business creation project, and will leave Foncière des Régions at the beginning of next year.

Lastly, Myriam Despas, previously Chief Operating Officer of Immeo, Foncière des Régions' German subsidiary, has been appointed Deputy Chief Operating Officer of Foncière des Régions, and Secretary of the Management Committee.

Thus, alongside Christophe Kullmann, Chief Executive Officer, and Olivier Estève, Deputy CEO, the Management Committee now comprises 9 members: Marjolaine Alquier, Head of Audit and Internal Control, Thierry Beaudemoulin, CEO Residential, Audrey Camus, Head of Development, Yves Marque, Chief Operating Officer, Tugdual Millet, Chief Financial Officer, Dominique Ozanne, CEO Hotels, and Marielle Seegmuller, Operations Director.

Christophe Kullmann made the following statement: "*Foncière des Régions has a high quality team to achieve its ambitious projects. I am particularly proud of the European career paths we can offer our managers, as shown by the appointment of Marion Pignol in Italy and the promotion of Myriam Despas*". Christophe Kullmann added: "*The entire Management Committee joins me in wishing Philippe Le Trung every success in his entrepreneurial project, and thanks him for the 8 years spent within the Group*".

## **Foncière des Régions, co-créateur d'histoires immobilières**

A reference player in service sector property, Foncière des Régions has built its development and its portfolio around one key characteristic value, that of partnership. With a total portfolio of €18 bn (€12 bn Group share), located in buoyant markets including France, Germany and Italy, Foncière des Régions is today the acknowledged partner for businesses and regions, which it accompanies in their real estate strategy with a dual objective: adding value to existing urban property and designing buildings for the future.

Foncière des Régions is committed principally to its Key Accounts (Orange, Suez Environnement, Edf, Dassault Systèmes, Thales, Eiffage, etc.) on the Offices market. The group also focuses its attention, in a pioneering and relevant manner, on two other strategic sectors, which are German Residential and Hotels in Europe.

Foncière des Régions shares are listed in the Euronext Paris A compartment (FR0000064578 - FDR), are admitted to trading on the SRD, and are included in the composition of the MSCI, SBF 120, Euronext IEIF "SIIC France" and CAC Mid100 indices, in the "EPRA" and "GPR 250" benchmark European real estate indices, and in the FTSE4 Good, DJSI World, Euronext Vigeo (World 120, Eurozone 120, Europe 120 et France 20), Oekom, Ethibel and Gaïa ethical indices.
