PRESS RELEASE

Luxembourg, 21 December 2018

ECIP Europcar Sàrl, a shareholder of Europcar Mobility Group, started at the end of June 2018 to divest its stake in Europcar Mobility Group by reason of the occurrence of the term of the investment funds which financed it. To date, the remaining stake of ECIP Europcar represents 4.99 millions shares, i.e. circa 3.1% of Europcar Mobility Group share capital. ECIP Europcar has today suspended its sales and intends resuming them over the coming months depending on the market conditions.

It is specified that ECIP Europcar is not acting in concert with Eurazeo SE in accordance with the terms of the shareholders agreement executed on July 31, 2015, that Eurazeo SE is not participating to this divestment program and that Eurazeo SE has no economic interests in ECIP Europcar.
