

Biophytis announces suspension of trading until distribution of a press release

Paris (France), Cambridge (Massachusetts, United States), May 22nd, 2019, 11h45 CET – Biophytis (Euronext Growth Paris: ALBPS), a clinical-stage biotechnology company focused on the development of therapeutics for age-related diseases, today announced the suspension of the trading of its shares until the distribution of a press release.

About Biophytis

Biophytis is a clinical-stage biotechnology company focused on the development of therapeutics that slow the degenerative processes and improve functional outcomes for patients suffering from age-related diseases. Our therapeutic approach is aimed at targeting and activating key biological resilience pathways that can protect against and counteract the effects of the multiple biological and environmental stresses that lead to age-related diseases. Our lead drug candidate, Sarconeos (BIO101), is an orally administered small molecule in development for the treatment of neuromuscular diseases, including sarcopenia and Duchenne muscular dystrophy (DMD). Our second drug candidate, Macuneos (BIO201), is an orally administered small molecule in development for the treatment of retinal diseases, including dry age-related macular degeneration (AMD) and Stargardt disease. Biophytis is headquartered in Paris, France, and has offices in Cambridge, Massachusetts. The Company's ordinary shares are listed on Euronext Growth Paris (Ticker: ALBPS - ISIN: FR0012816825).
