AXA S.A. announces the successful completion of a Secondary Offering of AXA Equitable Holdings, Inc.'s Common Stock

- **Net proceeds of USD 834 million**
- **AXA's ownership of EQH's common stock decreased from 48.3%^{1,2} to 40.1%^{1,2}**

AXA S.A. ("AXA") announces today that it has successfully completed a secondary public offering of 40,000,000 shares of common stock (the "Offering") of AXA Equitable Holdings, Inc. ("EQH").

Net proceeds³ to AXA, corresponding to the sale of 40,000,000 EQH shares, amounted to USD 834 million or Euro 739 million^{4,5}. Following this sale, AXA's ownership in EQH has decreased from 48.3%^{1,2} to 40.1%^{1,2}. In addition, AXA has granted the underwriters a 30-day option to purchase up to an additional 6,000,000 EQH shares.

¹ EQH's issued and outstanding common stock as of May 9, 2019 comprised 491,138,042 shares.

² Including the shares to be delivered on redemption of the bonds mandatorily exchangeable into EQH shares, issued by AXA in May 2018.

³ Net of underwriting discounts and commissions.

⁴ 1 Euro = 1.1293 USD as of June 6, 2019 (Source: Bloomberg).

⁵ Not including the proceeds from the potential exercise of the 30-day over-allotment option granted to the underwriters to purchase 6,000,000 EQH shares.

IMPORTANT LEGAL INFORMATION AND CAUTIONARY STATEMENTS CONCERNING FORWARD-LOOKING STATEMENTS

Certain statements contained herein may be forward-looking statements including, but not limited to, statements that are predictions of or indicate future events, trends, plans, expectations or objectives. Undue reliance should not be placed on such statements because, by their nature, they are subject to known and unknown risks and uncertainties and can be affected by other factors that could cause AXA's actual results to differ materially from those expressed or implied in such forward-looking statements. Please refer to Part 4 – "Risk Factors and Risk Management" of AXA's Registration Document for the year ended December 31, 2018, for a description of certain important factors, risks and uncertainties that may affect AXA's business and/or results of operations. AXA undertakes no obligation to publicly update or revise any of these forward-looking statements, whether to reflect new information, future events or circumstances or otherwise, except as required by applicable laws and regulations.

This press release does not constitute an offer to the public in France, nor a prospectus within the meaning of Directive 2003/71/EC of the European Parliament and of the Council of November 4, 2003, as amended, transposed and implemented in the relevant member State of the European Economic Area (the "Prospectus Directive"). With respect to each Member State of the European Economic Area which has implemented the Prospectus Directive (the "Member State"), no action has been undertaken or will be undertaken to make an offer to the public of securities requiring the publication of a prospectus in any Member State. As used in this paragraph, the expression "offer to the public" in relation to any securities in a given Member State means any communication to persons in any form and by any means, presenting sufficient information on the terms of the offer and the securities to be offered, so as to enable an investor to decide to purchase or subscribe for these securities, as this definition may have been amended, as the case may be, in such Member State in connection with the transposition of the Prospectus Directive. These selling restrictions apply in addition to any other selling restrictions which may be applicable in the Member States.
