PRESS RELEASE

EuropaCorp answers market rumors

Saint-Denis, 14 July 2019 – Following the article published today in *Le Journal du Dimanche*, the Company confirms, as it did on 29 May 2019, to be in discussions with several financial partners, including the group Vine, as part of the restructuring of its debt and the strengthening of its financial capacity.

As mentioned in this article, Vine has expressed interest in a potential stake in the capital of the Company. Discussions are currently ongoing concerning the terms and conditions of this potential operation and the financing of the Group for the future.

The potential realisation of this operation implies in particular the search of an agreement with the senior lenders and the presentation of a *Safeguard Plan* to the Commercial Court of Bobigny. Therefore the Group cannot assure that this operation will come to a successful conclusion, nor give any precision on the schedule or structuring of the potential transaction resulting from the current discussions.

The Company will inform the market, in due time, of the outcome of the current negotiations.
