

FY 2019 revenue: €15.8m

- Organic growth of +11% in 2019
- Telecom: double-digit growth for the fourth year in a row
- Enterprise: solid base of activity confirmed

Anevia, a leading provider of OTT and IPTV software solutions, has reported its full-year 2019 revenue.

<i>French GAAP, €m</i>	2019 ¹	2018	Chg. 19/18
Telecom	12.0	10.5	+14.2%
Enterprise	3.8	3.6	+3.0%
TOTAL	15.8	14.1	+11.4%

Organic growth of +11% in 2019

As expected, Anevia posted organic growth in 2019, with revenue increasing +11.4% compared to 2018. The company's Telecom and Enterprise businesses both contributed to this growth.

Telecom: double-digit growth for the fourth year in a row

The Telecom business posted a +14.2% increase in revenue over the period, to €12.0m, making 2019 the fourth consecutive year of double-digit growth.

Over the 2016-2019 period, Anevia's Telecom business has posted a Compound Annual Growth Rate of almost +20%.

Over the year, Anevia benefitted from the combined impact of the following factors:

- A robust existing customer base, made up mostly of customers who enter into long-term business relationships with Anevia through multi-year projects once we have rolled out an initial solution for them;
- Several opportunities being transformed into sales, especially in Asia and the EMEA region, driven by end-to-end offers that incorporate encoding solutions, which give Anevia a competitive advantage and a unique positioning on the market that is very attractive to buyers.

Enterprise: solid base of activity confirmed

The Enterprise business posted another year of growth, with revenue increasing by +3.0% to €3.8m. Such performance confirms the stable base of this business.

CASH POSITION AT 31 DECEMBER 2019

At 31 December 2019, Anevia had €1.8m in cash (vs. €1.7m at 31 December 2018) and financial debt of €2.6m (vs. €2.7m at 31 December 2018).

Next publication: 25th March 2020, results for the 2019 financial year
