## Covivio successfully priced

### a €500 million 10-year Bond with a 1.625% coupon

Covivio has successfully priced its new Bond issue of €500 million, maturing in 2030 and offering a 1.625% coupon. The notes have been close to 5 times oversubscribed.

This operation, used to refinance existing debts, strengthens the balance sheet by lengthening debt maturity (of 6.1 years at end-2019) and improving its profile.

As a reminder, at end-May, Standard & Poor's confirmed its rating on Covivio at BBB+, stable outlook.

Application will be made for the notes to be admitted to trading on Euronext Paris and to the Autorité des Marchés Financiers for approval of the prospectus. Settlement and admission to trading on Euronext Paris of the Notes should occur on 23 June 2020.

*This press release and the information contained herein do not constitute an offer to sell or subscribe, nor as solicitation of an order to purchase or subscribe the notes in any country, in particular in the United States. This press release and the information contained herein also do not constitute an offer to purchase nor a solicitation to sell the notes, nor an invitation to participate to the offer to purchase. The distribution of this press release may be restricted in some countries and be subject to specific regulations and persons in possession of this press release should inform themselves about and comply with any applicable restrictions.*
