

Press release

In Saint-Quentin-Fallavier - October 30, 2020 - 6pm

Coronavirus, crisis communication

The new lockdown measures announced by the French public authorities have led us to resume crisis communication aimed at informing you of our business position in real time. As in March 2020, our staff are on hand physically or remotely to serve our customers, who remain open to support the economy and safeguard jobs.

Our next press release is therefore scheduled for November 9th at 6pm. At that time, we will report on turnover trends during October. It will probably be followed by further press releases on November 23rd at 6pm, and December 9th at 6pm.
