

Schneider Electric completes Planon transaction

Rueil-Malmaison (France), December 17, 2020 – Further to the announcement made on 16th November 2020, Schneider Electric, the global leader in digital transformation of energy management and automation, is pleased to announce that it has successfully completed the strategic minority investment in Planon Beheer B.V. (“Planon”), a leading software provider in Building & Workplace management.

Schneider Electric owns 25% of Planon, and the investment will be accounted for under the equity method.

About Schneider Electric

At Schneider, we believe **access to energy and digital** is a basic human right. We empower all to **do more with less**, ensuring **Life Is On** everywhere, for everyone, at every moment.

We provide **energy and automation digital** solutions for **efficiency and sustainability**. We combine world-leading energy technologies, real-time automation, software and services into integrated solutions for Homes, Buildings, Data Centers, Infrastructure and Industries.

We are committed to unleash the infinite possibilities of an **open, global, innovative community** that is passionate with our Meaningful **Purpose, Inclusive and Empowered** values.
