About VOGO

VOGO develops, markets and distributes live & replay, audio and video solutions for spectators and professionals in sports arenas. VOGO's disruptive solution for spectators transforms the stadium experience by providing multi-camera content on demand for viewing on tablets and smartphones, irrespective of the number of people connected. In the professional sphere, VOGO's video solution provides analytical and decision-making tools (referee assistance, medical diagnostics, coaching, etc.). The acquisition of Vokkero® in October 2019 enriched this range of video solutions, with the integration of a line of audio communications systems that has drawn international recognition not just in the sporting sphere (more than 20 disciplines) but also in industry, services and healthcare. All of the Group's technologies have patent protection. VOGO is present in France (Montpellier, Paris and Crolles) and in North America, with an office in New York. The Group has been listed on the Euronext Growth stock market since November 2018 (ISIN code: FR0011532225 – ALVGO).
