

Bonus share award

1 new share for every 10 held

For the 22nd consecutive year, and as announced in March, Interparfums' shareholders are eligible to receive a new bonus share award.

On June 3, 2021, the Board of Directors decided to increase the share capital through the capitalization of reserves for the purpose of issuing 5,198,840 new shares to be awarded to shareholders on the basis of ONE new share for every TEN shares held.

Each shareholder having purchased shares no later than June 15, 2021 will qualify for this award.

The attribution right will be detached on June 16, 2021 on the opening of trading on Euronext Paris and result in a corresponding adjustment to the share price.

The new shares will be delivered to the beneficiaries as from June 18, 2021. These new shares will be immediately fungible and rank *pari passu* with the existing shares, and as from January 1, 2021, carry the same rights, and notably voting and dividend rights.

The rights of fractional shares will not be negotiable, and the rights corresponding to these fractional shares not granted will be sold on the market, at no charge for the shareholders. The proceeds from this sale will be allocated to the beneficiaries as from June 21, 2021.

Transactions will be centralized by CIC Market Solutions (Euroclear member No. 025), 6 avenue de Provence, 75452 Paris, Cedex 9, France.

Euronext will publish a notice providing details on this bonus share award as from June 14, 2021.
