

Kerlink announces a record order book for 2022

PRESS RELEASE

Thorigné-Fouillard, France – 19 January 2022, 7.30 a.m.

Kerlink (AKLK FR0013156007), a specialist provider of IoT (Internet of Things) networks and solutions, today unveils its order book for 2022.

Kerlink confirms that at the start of this year it has embarked on a new cycle of growth made possible by the quality of orders it will invoice in the current year. As of January 2022, this order book stood at €17.8 million versus €6.2 million on January 1, 2021.

The Group's confidence is also confirmed by an excellent end to 2021, with annual sales now expected to surpass the high end of its forecast range of €19 million. This corresponds to a revenue growth of more than 75% in relation to the previous year.

The Group confirmed it will publish its 2021 full-year revenue on January 27.
