

Implementation of the second tranche of a share buyback for a maximum amount of 350 million euros

The purchase period will start on 2 May 2022 and end, subject to market conditions, at the latest, on 31 July 2022.

The shares so repurchased will be held by Carrefour with a view to their future cancellation.

This operation falls within the framework of Carrefour's share buyback program, as authorized by the General Meeting of shareholders of 21 May 2021.
