Sport en France, the sports movement broadcaster, and VOGO renew their partnership

Sport en France is proud to announce the renewal of the partnership for the development of the VOGOSPORT solution on its own audiovisual productions. In concrete terms, on 20 live events in 2022, Sport en France will offer fans attending the competition on-site the opportunity to use the VOGOSPORT app in order to enhance their experience. This app, which fits perfectly within the framework of connected sports venues, allows a spectator equipped with a smartphone, connected tablet, to follow in real time and at their convenience all camera streams and thus enjoy autonomous angles of view, replays and slow motion.

Upcoming events:

Tuesday 17 May: Semi-final 2 games: Villeneuve D'Ascq – Lyon / Bourges or Montpellier – Basket Landes (final teams to be known tonight, Ligue Féminine de Basket)
Wednesday 18 May: J25: Celles-Nice or Chambray-Dijon (Ligue Butagaz Énergie)
Friday 20 May: Semi-final match 2: Lyon – Villeneuve D'Ascq / Basket Landes – Bourges or Montpellier (final teams to be known tonight, Ligue Féminine de Basket)
Saturday 21 May: J26 - Last day to be defined (Ligue Butagaz Énergie)
Monday 23 May: Semi-final match 3 option (Ligue Féminine de Basket)
Thursday 26 May: Final first leg (Ligue Butagaz Énergie)
Sunday 29 May: Final second leg (Ligue Butagaz Énergie)
Sunday 29 May: Final match 1 (Ligue Féminine de Basket)
Tuesday 31 May: Final match 2 (Ligue Féminine de Basket)
Saturday 4 June: Final match 3 (Ligue Féminine de Basket)
Monday 6 June: Final match 4 option (Ligue Féminine de Basket)
Thursday 9 June: Final match 5 option (Ligue Féminine de Basket)

Guillaume Sampic, Chief Executive Officer of Media365 *"Since its launch, Sport en France has constantly sought to change the way of producing, talking about and filming sport. Aware of the need to change the way in which sport is consumed also in the venues, Sport en France has also set itself the task of participating in the federations' digital revolution movement and as the media of the sports movement, therefore renewing this partnership. VOGO has supported us since the beginning. It's the continuation of a great story between Sport en*

France and VOGO. This year we will be offering it on women's handball, women's basketball and other events on a case-by-case basis."

Christophe Carniel, CEO of VOGO

"We are pleased to renew our partnership with Sport en France. VOGO's ambition is to innovate by bringing new technologies to the service of spectators, fans and sports professionals, through intuitive and ergonomic video and audio solutions, in order to prepare major future sporting events in France. In this sense, our philosophy is aligned with that of Sport en France."

About Sport en France:

Sport en France is the first sporting media dedicated to all sports, in terms of their diversity and mix, accessible to all and everywhere free of charge. Created in 2019 by the French National and Olympic Sports Committee (CNOSF) in partnership with all French sports federations, Sport en France allows the discovery of all sports disciplines through expert, inspiring and freely distributable content. Competitions, programmes, documentaries, meetings and immersion in the life of clubs, varied and comprehensive programming to experience the sporting movement on a daily basis, with pleasure and optimism. Sport en France is produced by Média 365 on behalf of CNOSF.

Sport en France is available on: Orange (174) | Bouygues (192) | FREE (190) | SFR (129) | Molotov | MyTvchain | Samsung TV | Twitch | Youtube | Dailymotion | Mobile Application: App Store & Google Play | www.sportenfrance.com.
