SPIE acquires PTC Telecom GmbH

Strengthening Information & Communication Services
in southern Germany

Ratingen, 7 June 2022 – *SPIE, the independent European leader in multi-technical services in the areas of energy and communications, has announced the acquisition of PTC Telecom GmbH. With this acquisition, SPIE is strengthening the Information & Communication Services in Germany.*

PTC Telecom GmbH (PTC) is headquartered in Woerthsee near Munich and provides technical services in information and communication technology, more specifically in telecommunication solutions and unified communication. The company has a broad customer base and sound partnerships, in particular with technology partners such as Atos Unify and Avaya. With the acquisition of PTC, SPIE is strengthening its regional position and expanding its local presence in southern Germany. With around 70 qualified employees, PTC generated total revenues of around €12.5 million in 2021.

Michael Padberg, founder of PTC: *“As a leading company for multi-technical services, SPIE is committed to make the energy transition and digital transformation a success. I am very pleased to announce that PTC is joining SPIE which has a very strong reputation as a pure player in the energy transition; together both companies will meet the expectations of our customers, our partners and our employees in the best possible way.”*

Markus Holzke, Managing Director of SPIE Deutschland & Zentraleuropa: *“Together with PTC, we have the opportunity to strengthen our position in the Information & Communication Services in southern Germany. We are very much looking forward to our future together and wish the roughly 70 members of the team a warm welcome to SPIE!”*
