Founded in March 2022, eureKING is a French SPAC (Special Purpose Acquisition Company) formed with the aim of acquiring European companies in the field of cutting-edge biomanufacturing, with the ambition of creating a leading bio-CDMO in Europe capable of meeting the growing outsourcing needs of this industry. eureKING has chosen to focus on three highly specialized and strategic segments of the biopharmaceutical industry: the production of biologics, in particular new generations of monoclonal antibodies or complex proteins, the production of cell and gene therapies and the production of live biotherapeutics (with applications in the microbiome).

With a €150 million capital raising in May 2022, eureKING is led by an international management team of experienced healthcare industry talent, 100% dedicated to the SPAC project and its development strategy. eureKING is supported by a Board of Directors with complementary pharmaceutical and financial expertise to achieve its goal of developing and promoting the promising biomanufacturing sector in Europe on an international scale.

eureKING is listed on the professional compartment of Euronext Paris since May 12, 2022.
