

Thales: availability of the 2023 half-yearly financial report

Thales 2023 half-yearly financial report in French (Rapport financier semestriel 2023) has been filed with the Autorité des Marchés Financiers (AMF) on 28th July 2023.

The document is available to the public in accordance with the provisions of currently applicable regulations in force. It can also be found on the company's website at:

<https://www.thalesgroup.com/en/investor/publications/releases-publications>

The document includes:

- Patrice Caine's certification, as Chairman and Chief Executive Officer of Thales and person responsible for the document;
- the report on 2023 first-half business activity and results;
- the interim condensed consolidated financial statements at 30 June 2023;
- the Statutory Auditors' report.

About Thales

Thales (Euronext Paris: HO) is a global leader in advanced technologies within three business domains: Defense & Security, Aeronautics & Space, and Digital Identity & Security. It develops products and solutions that help make the world safer, greener and more inclusive.

The Group invests close to €4 billion a year in Research & Development, particularly in key areas such as quantum technologies, Edge Computing, 6G and cybersecurity.

Thales has 77,000^(a) employees in 68 countries. In 2022, the Group generated sales of €17.6 billion.

^(a) These figures do not include the Transport business, which is currently being divested.
