GROUPE SFPI :
MAC division General Manager, Jean-Jacques NAYRAL, passed away,

The management of SFPI GROUP is deeply saddened to announce the sudden death of Jean-Jacques NAYRAL, Managing Director of the MAC division, on Tuesday 6 February at the age of 59.

Mr NAYRAL joined Franciaflex in 2018 and then took over the management of all the French companies in the MAC division in 2023. An energetic, committed and benevolent leader, Jean-Jacques drove forward many of our companies' projects and issues, in particular the MAC 250 plan. We will be eternally grateful for his contribution.

We would like to express our support to Jean-Jacques' wife, as well as to his children and family, at this difficult time.

The reorganisation has been initiated and the activity of our companies continues under the direct supervision of Henri MOREL, supported by Damien CHAUVEINC.
