Entry into exclusive negotiations for the acquisition of the Konspol factory in Nowy Sacz

Sablé-sur-Sarthe - LDC (FRFR0013204336 - LOUP) announces the entry into a conditional asset purchase agreement with KONSPOL Holding SP z.o.o., affiliate of the CARGILL's group for the acquisition in Poland of their Nowy Sacz plant and Konspol brand.

This factory achieved a consolidated turnover in 2023 of €35 million.

In line with LDC's international expansion strategy, this new acquisition would allow the DROSED Group to enter into the ready meals segment (breaded products, burgers & sandwiches, tortillas, gyozas), with the strong Konspol brand in Poland. With this transaction, the DROSED Group will develop its production capabilities by relying on a modern tool with a strong capacity potential managed by an experienced and professional team.

The objective set between the parties is to finalize this transaction by the end of the year 2024, subject to the authorization of the competition authority.
