Acquisition of BIO Habitat

Trigano announces the acquisition of 100% of the share capital and voting rights of BIO Habitat and its subsidiary, BIO Habitat Italia.

With its brands O'Hara, IRM and Coco Sweet, Groupe Beneteau's Housing division is a key player in the manufacturing of mobile homes for Europe's outdoor hospitality sector. The company is profitable, employs 900 people across 7 production sites in France and Italy, and achieved a turnover of €319.6 million in 2023.

This transaction is in line with Trigano's development strategy on this dynamic segment of the leisure vehicles and equipment market. It offers synergies, particularly in purchasing, logistics and manufacturing processes, and will enable Trigano to consolidate its leadership in the European leisure vehicle industry. This acquisition is mainly financed by a specific acquisition loan granted by Trigano's banking pool.

2025 First Quarter Sales will be released on 8 January 2025
