

Biophytis Will Be In San Francisco During The 2025 JP Morgan Healthcare Conference

Will participate also in the following events:

- **Sachs Conference – BioPharma Obesity Innovation Forum**
- **The BIO@JPM Week Conference**

Paris (France) and Cambridge (Massachusetts, USA), 24 December 2024 – 7:00 AM CET – Biophytis SA (Euronext Growth Paris: ALBPS), ("Biophytis" or the "Company"), a clinical-stage biotechnology company specializing in the development of treatments for age-related diseases, announces its participation in the inaugural BioPharma Obesity Innovation Forum (#Sachs_BOIF) on January 11, 2025, in San Francisco, as well as in the BIO@JPM Week conference during the 43rd annual JP Morgan Healthcare Conference, taking place from January 13 to 16, 2025, also in San Francisco.

The **JP Morgan Healthcare Conference** is the largest global healthcare event, bringing together industry leaders, innovative biotech companies, technology developers, and investors from the international financial community.

The **BioPharma Obesity Innovation Forum**, launching its first edition, will convene over 100 innovative companies, research organizations, and investors to address the challenges and advancements in obesity treatments. Biophytis will present on January 11 at 1:50 PM to highlight its strategic positioning in the obesity domain, provide an update on its development program and outline its key milestones for 2025.

Additionally, Biophytis will participate in the BIO@JPM Week conference to enhance interactions with pharmaceutical partners and investors.
