

## Schneider Electric completes transaction to acquire remaining 35% stake in existing Indian JV

**Rueil-Malmaison (France), December 18, 2025** - Schneider Electric, a global energy technology leader, announces that further to an agreement signed in July 2025 it has now completed the [previously announced](#) transaction to acquire the remaining 35% of Schneider Electric India Private Limited ("SEIPL") from Temasek to reach full ownership.

This transaction reinforces Schneider Electric's strategic focus on India as both an attractive domestic growth market and one of the key hubs in its multi-hub strategy.

### About Schneider Electric:

Schneider Electric is a global energy technology leader, driving efficiency and sustainability by electrifying, automating, and digitalizing industries, businesses, and homes. Its technologies enable buildings, data centers, factories, infrastructure, and grids to operate as open, interconnected ecosystems, enhancing performance, resilience, and sustainability. The portfolio includes intelligent devices, software-defined architectures, AI-powered systems, digital services, and expert advisory. With 160,000 employees and 1 million partners in over 100 countries, Schneider Electric is consistently ranked among the world's most sustainable companies.
