PRESS RELEASE
Boulogne-Billancourt
23rd April 2026

Press release announcing the availability of Solocal Group's 2025 Universal Registration Document

Solocal Group's 2025 Universal Registration Document was filed with French financial markets authority (AMF) on 23rd April 2026.

It is made available to the public under the conditions provided by the regulations in force.

The French version of the Universal Registration Document is available to the public on Solocal's website via the following link:

<https://www.solocal.com/investisseurs-et-actionnaires/document-denregistrement-universel-2025>
as well as on AMF website via the following link www.amf-france.org

The free English translation of the Universal Registration Document will follow in the coming weeks and will be available on the following link:

About Solocal:

solocal is the leading partner for SMEs and very small businesses in France, and pagesjaunes is the trusted media platform that is both useful to consumers and essential to businesses. As France's leading digital marketing company, solocal supports local businesses – mid-sized companies, SMEs, very small businesses, major retail networks and public authorities – in their digital transformation and business development. Every day, hundreds of thousands of companies across France rely on its solutions, including online presence management, website and e-commerce creation, and digital advertising.

Through pagesjaunes, its iconic brand, solocal helps internet and mobile users find the professionals that best meet their needs. With solocal+, launched in January 2026, the Group now offers a unique data and advertising solution on the market. Leveraging scalable technology platforms, geolocated data, a large audience reach and a unique sales coverage across France, solocal collaborates with leading global technology platforms (GAFAM) to maximize the performance of its digital services. Its subsidiary Regicom further strengthens this offering by providing local businesses with high-performance solutions in e-commerce, project management and digital strategy.

Together, solocal and Regicom are committed to energizing local economies by delivering innovative and high-impact digital tools.
