### Q4 2021 revenue: reflecting an adapted offer and acquisition momentum

Freelance.com generated consolidated revenue of €178.0m in Q4 2021 versus €106.3m in Q4 2020, i.e. +67% year-on-year. This robust growth was driven by both the quality of business momentum (+31% organic growth) and the consolidation of Helvetic Payroll, a recently acquired Swiss company consolidated in the Group's financial statements since 1 November 2021.

Consolidated revenue for full-year 2021 amounted to €502.4m, up 55% compared to 2020 (+24% organic growth).

In France, Freelance.com delivered consolidated revenue of €406.5m in 2021, up 49% year-on-year, representing 81% of the Group's total consolidated revenue.

International revenue shot up 85% in 2021 to €96m, including Helvetic Payroll as of 1 November 2021.

## Better-than-expected 2021 pro-forma revenue (€671m)

Pro forma revenue, which incorporates all revenue over 12 months for the entire scope of operation, came out at €671m, i.e. doubling 2020 published revenue and exceeding previously reported guidance.

The Group, having set the ambition of serving as an international freelancing expert, has completed strategic acquisitions, opening the door to new market segments and new geographic sectors.

## Freelance.com confidently reiterates its targets

The momentum achieved over the course of 2021, combined with the favourable development of underlying activities and the full-year integration of offers and expertise gained from acquisitions, gives Freelance.com the confidence to reiterate its target of making 2022 another year for double-digit growth.

With a strong, tried-and-tested business model, the Group has confirmed its revenue guidance of €1 billion in the medium term.

## Upcoming events:

- 2021 annual results out Monday 25 April 2022;
- Combined General Meeting on Friday 17 June 2022;
