2CRSi awarded a new €4 million contract

Strasbourg (France), May 4, 2022 - 2CRSi (ISIN code: FR0013341781), a manufacturer of sustainable IT solutions, announces its Boston GmbH subsidiary has been awarded a new 4-million-euro contract by a major industrial company.

The new customer is a major industrial company, which develops and sells solutions for process automation, process analysis and monitoring. Relying on increasing use of edge technologies and Artificial Intelligence, it has selected Boston to provide it with exclusive hardware and managed services.

Based on the latest technology from Intel and NVIDIA, the solution will ensure high levels of performance and efficiency, supporting a new kind of IoT architecture to enable next-generation optimized manufacturing processes

"This new contract highlights increasing synergies moving the Group forward. It is also further evidence of the development of key verticals, more and more sensitive to the cutting-edge solutions we provide.", says Alain Wilmouth, co-founder of 2CRSi.
