

Corporate News Release

CMG CLEANTECH S.A. (“CMG”), THE RENEWABLE ENERGY COMPANY LISTED ON THE EURONEXT PARIS EXCHANGE, ANNOUNCES THE APPOINTMENT OF CRAIG MILLER AS AN ADVISOR TO THE BOARD.

With his history of working with senior executives of global renewable energy companies on the strategic transformation of their businesses, Miller brings a strong professional services track record to the table. As a non-executive advisor, Miller will directly support the CMG Board and Executive team in strategy, acquisitions, and positioning the company to execute its vision of becoming a world-class renewable energy company.

Miller lives in Switzerland, where he holds a management position at Microsoft. He is an angel investor in early-stage companies, has prior experience in mergers & acquisitions, and has held numerous Director roles. Having graduated from McGill University, Miller holds a Degree in Mechanical Engineering and an MBA from Harvard Business School.
