## 2CRSi awarded a new 3-year €14,8 million contract

---

**Strasbourg (France), December 20th, 2022 - 2CRSi (ISIN code: FR0013341781), a manufacturer of sustainable IT solutions, announces its subsidiary Boston Germany has been awarded a new 3-year €14.8 million framework contract by a major logistics service provider.**

This new customer, together with an additional partner in safety technology, chose Boston Servers and Storage to support their increasing use and needs of edge computing technologies and artificial intelligence. The contract includes exclusive hardware and managed services.

The solution, based on the latest technology from Intel and Nvidia, ensures a high level of performance and efficiency and supports new types of security architecture.

*"This new contract highlights increasing synergies helping the Group move forward. It is also further evidence that the development of key verticals such as AI and edge computing will be key to future profitable growth",* says Alain Wilmouth, CEO of 2CRSi.

2CRSi expects to deliver the first tranche of the contract within the next 3 months.
