

## Results of the public share buyback offer initiated by Linedata Services for its own shares

Neuilly-sur-Seine, December 23, 2022

The French financial markets authority (the “**AMF**”) today published a notice of results announcing the contribution of 1,336,789 shares to the public buyback offer initiated by Linedata Services (the “**Company**”) for its own shares (the “**Share Buyback Offer**”).

The Share Buyback Offer was open between December 2 and 22, 2022, inclusive, and offered to Company shareholders to buy back their Linedata Services shares for a maximum of 1,100,000 shares at a unit price of 50.00 euros (€50.00).

Considering that the number of shares tendered in response to the Share Buyback Offer (1,336,789 shares) was higher than the maximum amount of 1,100,000 shares which the Company had committed to buy back, a reduction was carried out in proportion to the buyback requests, in accordance with the provisions of Article R. 225-155 of the French Commercial Code.

The Company will buy back 1,100,000 of its own shares for an amount of €55,000,000.

It is planned that:

- the settlement-delivery of the Share Buyback Offer will take place on December 28, 2022;
- and the shares bought back as part of the Share Buyback Offer will be cancelled on December 28, 2022.

At the end of the share cancellation period, the capital of the Company will be reduced to €4,960,807, made up of 4,960,807 shares.

**Next communication:** Full-year revenue 2022 on February 6, 2023 after market.
