

## Trading Suspension

Ghent (Belgium), 24 February 2023, 6:00 p.m.; **bonyf NV (Mnemonic: MLBON), the next-generation oral comfort expert, announces the suspension of the listing of its shares at the request of the company.**

bonyf is currently pursuing discussions with potential strategic partners and investors with the objective to strengthen the company's financial position and extend its cash runway beyond its current term (March 2023).

The company requested Euronext Access in Paris to suspend trading of its shares at the commencement of trading today and it remains suspended pending further announcement. bonyf will inform the market of progress made in the evolution of its financial status.

### **bonyf's strengths**

- Products with patented formulations
- Produced in Switzerland compliant with stringent international quality regulations
- Proven clinical efficacy
- Commercial presence in 37 countries
- Prospects for solid growth and rapid profitability
- A fast-growing oral and dental care market

### About bonyf

Incorporated in 1979, bonyf specialises in the development, production and selling of cutting-edge oral & dental care products. Through its unwavering commitment to innovation and continuous improvement, bonyf makes a real difference to people suffering from dental and oral conditions. The company has its R&D facilities in Liechtenstein (in the renown dental valley), a production plant in Switzerland and distributes its product range in 37 countries worldwide. Benefiting from seven patent protected formulations and products developed in-house, bonyf expects strong future development, driven by the fast-growing oral and dental care market.
