### About KAUFMAN & BROAD

As a developer and urban planner, Kaufman & Broad works alongside and for local authorities and its customers. Through its various subsidiaries, the Group offers comprehensive expertise and 55 years of experience in the construction of apartment buildings, single-family homes, managed residences (for students and seniors), retail outlets, logistics platforms and office buildings. The Group's employees share the conviction that building is acting! Acting for people by promoting health and living together, acting for the city by contributing to its appeal and development, and acting for the planet by reducing the carbon footprint of the construction and use of buildings every day. All of the Group's developments play a positive role in the ecological transition, and are innovative in their efforts to create a greener city
