

2CRSi names Daniel Ciz as the Director of Administrative and Financial Services

Strasbourg (France), July 8, 2024 - 2CRSi (ISIN: FR0013341781), a leader in designing and manufacturing high-performance, energy-efficient computer servers, announces the appointment of Daniel Ciz as the Director of Administrative and Financial Services.

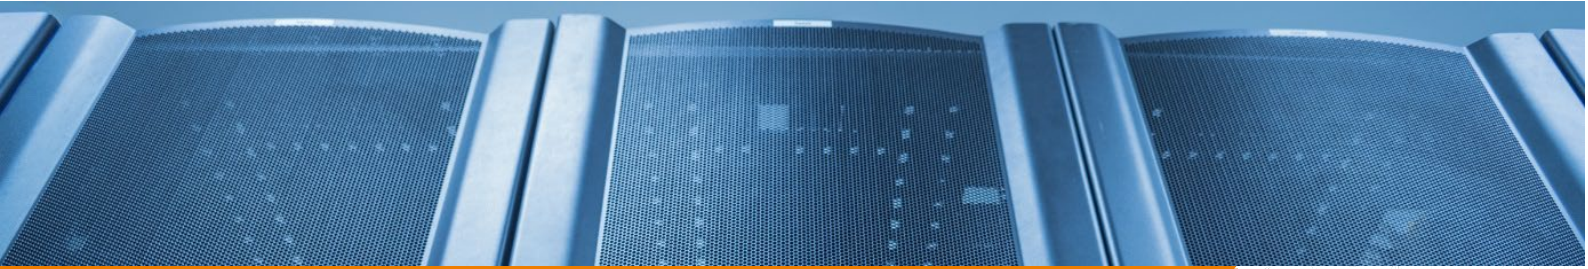

We are delighted to announce the appointment of Daniel Ciz to 2CRSi. An economist engineer, Daniel graduated from École des Mines in Ostrava (Czech Republic) in 1997. In 1998, he completed a postgraduate program sponsored by the École des Mines of Paris, the École des Ponts et Chaussées, the Collège des Ingénieurs, and Sciences Po Paris.

Daniel Ciz brings with him over 20 years of experience with prestigious international groups such as Honeywell, Carrefour, and FM Logistic. During his 15 years as Financial Director, the FM Logistic group saw its revenue grow from 400 million to 1713 million euros and its workforce increase from 9500 to 28000 employees.

Thanks to his exceptional career, Daniel Ciz possesses extensive expertise in financial management and organizational transformation, demonstrating his ability to carry a strategic vision in complex economic environments.

Alain Wilmouth, co-founder and CEO of 2CRSi, comments on this appointment: "As our Group experiences unprecedented growth due to global demand for our AI-dedicated equipment and services, I am particularly pleased to welcome Daniel to our team. I am convinced that his experience and human qualities will enhance our ability to transform our organization to seize all market opportunities and successfully steer our financial performance trajectory. With over 90% of our revenue now generated outside of France, limiting our exposure to changes in the national context, his international experience will be a decisive asset in achieving our ambitions.

This appointment reflects our commitment to continuously strengthening our leadership team to support our growth and strategic positioning in the global market.
